STANDARD CLOTHING CO.
THIESEN BUILDING

R. K. WHITE,
Watchmaker, Manufacturing Jeweler
and Graduate Optician,
30 S. Palafox Street, Pensacola, Fla.

TERSELY TOLD

Stephen E. Williams, of Atlanta, is in the city. He spent Christmas here with friends and will leave for home tonight.

Dr. and Mrs. T. H. M. Tiplin and little son, of Brewton, Ala., who spent Christmas with Mrs. Tiplin's mother, Mrs. B. C. Glenn, will return home today.

Mrs. Max Edelstein, of New Orleans, and son, Gusie, are visiting Mr. and Mrs. N. Weiland at 11 North Spring street.

Rev. B. C. Glenn, pastor of the Palafox Street Methodist church, who left last week for Shorters, Ala., to be with his mother, who was very ill, is expected to return to the city today. His mother died Sunday and was buried yesterday.

The prisoners at the county jail were treated to an elaborate Christmas dinner by Jailer Bobe yesterday. The menu consisted, among other things, of roast turkey, roast pig with dressing, baked sweet potatoes and light bread and cake.

Capt. and Mrs. J. Ed. O'Brien and family spent Christmas in the city, having arrived here from Washington Saturday night. They will leave at noon today for Washington, via Portsmouth, where their little daughter will enter school. Their son, Malory, will also enter a Maryland school. The rest of the family will spend the remainder of the winter in Washington with Capt. O'Brien.

The ladies of the Palafox Street Methodist church Sunday school and Home Mission Society are requested to meet at the parsonage at 7 o'clock tonight to complete their plans for the Christmas tree to be held Thursday night. The tree was postponed on account of the absence of Rev. B. C. Glenn, who was called away by the death of his mother.

A lady friend of The Journal telephoned the office about 7:30 o'clock last night and described a curious sight which she had just witnessed. A ball of light, she said, had appeared in the sky north of the city and had slowly moved in a horizontal line until it had passed over the city and disappeared to the southward. It was too large and too slow for a falling star, and did not look like a comet, and a great deal of curiosity was experienced by those who saw it as to what it really was. They finally concluded, however, that it must have been a small balloon and that having been sent up from north of the city it floated southward with the north breeze as described.

CENTURY LODGE K. OF P. HOLDS RECEPTION

Many Prominent Pythians Participated in Exercises Friday Night.

Special to The Journal.
Century, Dec. 25.—Century Lodge No. 81 K. of P. held a largely attended and enthusiastic public reception in the Baptist church Friday night Dec. 22, a number of prominent Pythians being present. Brother W. H. Mitchell as master of ceremonies presided, and the reception was called to order at 8 p. m. Prayer was offered by Brother W. C. Weaver, of No. 87 which was followed with music by the church choir.

The address of welcome was delivered by Brother Mitchell, and in some well chosen remarks he introduced our worthy Brother G. V. C. Henry Holsler, of the Grand Decatur, K. of P. of Florida, who responded in his usual eloquent and impressive manner. Mr. Holsler addressed the audience upon the cardinal principles of Pythian order—F. C. & B.—also demonstrated to them the protection for Pythians of the insurance branch of the order—the endowment rank. His explanation as to the beautiful manner in which we work at our meetings in the castle hall was listened to with marked attention. The G. V. C. did not forget to give thanks to the ladies for their attendance and their enthusiastic interest. Brothers Mitchell, Weaver and Youngblood all responded in beautiful Pythian remarks that were well received and greatly enjoyed.

At the conclusion of the ceremony at the church sumptuous refreshments were served by the K. of P. at the Century hotel. In fact the gathering at the hotel was a magnificent social event, highly enjoyed by all who were present. Remarks were expressed that business of importance detained D. D. G. C. Brother Loflin from attending.

After the banquet at the hotel, Century Lodge No. 81 held a very interesting convention. G. V. C. Brother Holsler congratulated No. 81 upon the thirty anniversary of the institution of the Lodge and upon the pretty and well furnished castle hall.

Brothers Mitchell, Strickland and Day are to be congratulated for the nice manner they acted as reception committee. In fact all the brothers are to be complimented.

As Monarchs seemed to be in charge of quite a number, a happy pleasant good night, with fraternal good wishes for a Happy Christmas and a prosperous New Year was said. A vote of thanks was tendered The Pensacola Daily Journal and best wishes expressed for its continual success.

UNHAPPINESS DISPELLED.

Men and Women Unanimous About It.
Many women weep and wail and refuse to be comforted because their once magnificent tresses have become thin and faded. Many men incline to profanity because the flies bite through the thin thatch on their craniums. It will be good news to the miserably of both sexes, to learn that Newbro's Herpicide has been placed on the market. This is the new scalp germicide and antiseptic that acts by destroying the germ or microbe that is the underlying cause of all hair destruction, made after a new formula on an entirely new principle. Anyone who has tried it will testify as to its worth. Try it yourself, and be convinced.

For sale by W. A. D'Alemberte, druggist and apothecary, 121 South Palafox street, or send 10c in stamps for sample to The Herpicide Co., Detroit, Mich.

CHRISTMAS RULES FOR "AD MAN" B. S. BERNARD

Advertising Manager Bernard was the recipient of about 25 or 30 unique but practical Christmas gifts which were tendered him by The Journal force. They consisted of a large variety of rules—12-inch rules, two foot rules, yard sticks, squares, etc., and some one presented him with the golden rule and advised him to follow it hereafter. There seemed to be a diversity of opinion as to what the rules were intended for. Some said that as Bernard never could find his own rule when he opened his desk in the morning, they thought he ought to be supplied with one. But a large share of the opinion was to the effect that he needed a reminder to keep straight, or square, and the rules and and squares were intended to help him remember it. In any event he is now abundantly supplied with articles of the kind described and they ought to last him till next Christmas at least.

Long Living.

The men of eighty-five and ninety years of age are not the rotund well fed, thin spare men, who live on a slender diet. As careful as he will, however, a man past middle age, will occasionally eat too much or of some article of food not suited to his constitution, and will need a dose of Chamberlain's Stomach and Liver Tablets to cleanse and invigorate his stomach and regulate his liver and bowels. When this is done there is no reason why the average man should not live to old age. For sale by all druggists.

SMOKE FROM CITY COVERED THE BAY

Those who had occasion to be on the bay last evening, and there were several parties out for pleasure, noticed that the bay was almost covered with smoke from the city, and it greatly retarded navigation. In fact it was worse than a heavy fog. The smoke came from the city, where fireworks were being discharged from morning until late at night, and the northerly wind carried it over the harbor.

PENSACOLA PEOPLE MUST RECOGNIZE AND HEED IT.

Kidney "ills come quietly—mysteriously. But nature always warns you through the urine. Notice the kidney secretions. See if the color is unhealthy. If there are settlements and sediment. Passages too frequent, scanty, painful. It's time then to use Doan's Kidney Pills.

To ward off Bright's disease or diabetes. Doan's have done great work in Pensacola.

T. Torgensen, fisherman, living at 108 South Florida Blanca St., says: "I am enjoying better health than I have had for months, and I attribute it to Doan's Kidney Pills. For more than two years I had difficulty with my kidneys, causing me to get up several times during the night and which was very annoying. I tried a number of remedies but seemed to get no relief. When I saw Doan's Kidney Pills advertised I was feeling dull and miserable and could hardly get around so I went to Sidney Kahn's drug store, No. 9 South Palafox St. and secured a box. After using the first one I felt a great deal better in every way and by the time I had finished the second box I was cured. My rest was not disturbed nights and the dull, miserable feeling vanished."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
